Information Disclosure Statement  
In Accordance With 37 CFR 1.97 And 1.98

TECHNOLOGY CENTER R3700

Honorable Sir:

For the convenience of the United States Patent and Trademark Office and pursuant to 37 CFR 1.97 and 1.98, record is hereby made of information which the Patent Office may wish to consider in connection with its examination of the above-identified patent application. Enclosed is a list of all patents, publications and other information submitted for consideration along with a legible copy of each document. This Information Disclosure Statement should not be considered as a representation that a search has been made, as a representation that no other potentially material references may exist, or as an admission that the information cited in this statement is, or is considered to be, material to patentability as defined in 37 C.F.R. §1.56(b).

The enclosed prior art was cited in a November 26, 2002 search report in the related European patent application.

Applicant's undersigned attorney certifies that each item of information contained in this Information Disclosure Statement was cited in a communication from

a foreign/International patent office in a counterpart foreign/International patent application not more than three months prior to the filing date of this Statement.

In the event that any fees are required with this Information Disclosure Statement, please charge such fees to MacMillan, Sobanski & Todd, LLC, Deposit Account No. 13-0005.

It is respectfully submitted that applicant's claimed invention is patentable over the enclosed art. Early and favorable action is solicited.

Respectfully submitted,

By Oliver E. Todd, Jr.
